

2019 'BLOCK 13' ESTATE GRENACHE

REVANA VINEYARD - LOS CHACAYES IG - UCO VALLEY

In 2008, we planted a single acre of Grenache at 3,400' elevation on the rock covered western edge in the Uco Valley, a unique area that would become the Los Chacayes IG. This 1 acre within our Estate's 'Block 13' was only the 20th acre of Grenache planted in the Uco Valley, with the intention of bottling a rare 100% Grenache wine.

The rocky and sandy loam soils result in naturally lower yields compounded with intense UV radiation and extreme temperature swings that create an expression of Grenache unlike anywhere in the world.

Classic red fruit intensity with a silky concentration and juicy freshness is elevated by complex floral and desert-herb aromas, unique to the Los Chacayes IG. This 100% single-vineyard Grenache tells the story of site and vintage rarely seen in South America and it represents a new era of boutique wines from exciting subzones within Mendoza.
