

2017 'BLOCK 13 - RESERVA' CABERNET FRANC

REVANA VINEYARD - LOS CHACAYES IG - UCO VALLEY

Inspired by the great terroirs of Pomerol and Saint-Émilion, in 2008, we planted a single acre of Cabernet Franc within 'block 13' at 3,400' elevation along the sandiest section of our 17 acre estate.

The vines are meticulously tended by hand and organically farmed. Each cluster is hand-harvested before individual berry sorting, then fermented in small batches. Only the second vintage in 7 years, the stand-alone quality and stunning personality from this site in 2017 compelled us to bottle a limited production as 100% Cabernet Franc.

Our high elevation vineyard's expressive nature, together with the elegant texture derived from sandy/rocky soil profiles, results in a Cabernet Franc that displays the power and structure of a warm climate region alongside vibrant, high-toned red fruit that is more typical in cooler wine regions such as the Loire Valley.
