

## 2017 'MAGMA' ESTATE BORDEAUX BLEND

### REVANA VINEYARD - LOS CHACAYES IG - UCO VALLEY

---

Right Bank Bordeaux reimaged at 3,600' elevation at the base of the Andes Mountains. 'Magma' is a rare single-vineyard expression of 4 small vineyard blocks within one of Mendoza's most exciting subzones (Los Chacayes IG).

It delivers a unique high-elevation personality amplified by the intense solar radiation of this vineyard site. In 2008, we planted classic Bordeaux varieties in our 17-acre Estate on a field covered with volcanic rocks that had tumbled down the Andes Mountains from earthquakes and snow-melt for millennia.

The vines are meticulously tended by hand and organically farmed. Each cluster is hand-harvested before individual berry sorting, then fermented in small batches. 2017 was a benchmark vintage in Uco Valley, our vines excelled in producing stunning fruit and shined with a vibrance and elegance that is rarely associated with Mendoza.
