## 2020 'BLOCK 13' GRENACHE

LOS CHACAYES I.G. - UCO VALLEY

In 2008, we planted a single acre of Grenache at 3,800' elevation on the rock-covered western edge of the Uco Valley, a unique area that would later become the Los Chacayes I.G.

The rocky and sandy loam soils result in naturally lower yields, compounded with intense UV radiation and extreme temperature swings that create an expression of Grenache unlike anywhere in the world.

Classic red fruit intensity elevated by complex floral and desert-herb aromas, unique to the Los Chacayes I.G. This 100% single-vineyard high-elevation Grenache represents a new era of boutique wines from this exciting subzone within the Uco Valley.
