2020 LUMINOSO 'BLOCK 13' GSM LOS CHACAYES I.G. - UCO VALLEY

A pioneer wine that is making history in Argentina! 'Luminoso' comes from the original three acre block of Grenache, Syrah and Mourvèdre that we planted at Corazón del Sol to produce Argentina's first GSM blend from a vineyard that is reminiscent of Châteauneuf-du-Pape at 3,600' in elevation. Aromatic notes of pomegranate, violet, and black raspberry accent the palate with raspberry, red currants, and juicy texture with polished tannins.

After fermentation, the wine is aged for 12 months in neutral barrels and then rested for at least six months in the bottle. The character of our vineyards in the Uco Valley lend a unique profile to these classic varieties not found anywhere else.
